Prayer Matters!

We pray for the troubled nations of the world— Syria, Myanmar, Sudan, Yemen, Afghanistan and Israel.

For the appointment of a new Diocesan Bishop and for finance issues impacting the diocese.

For the continued discussions and negotiations between nations at Cop-26 and for the call that as a whole planet we act now.

For our church councils' work to see our churches be as 'Carbon Neutral' as possible by 2030.

For this year's Remembrance and Christmas services — for our local 'At the Heart of Christmas' outreach and welcome to our communities.

For the sick and those needing care; Peter, Doreen, and Tom.

For Tonina and Matthew being married at Ilchester on 20th November

For the family and friends of Paul Vinter and Ron Tate who have recently died, and all we mourn at this time.

Christmas Carol Service Choir - Ann is looking to have a small touring choir again this year to sing a piece at the carol services. She would be looking to rehearse in the day on a couple of Friday before. If you, or anyone you know might like to be a part of this; even if you feel your voice is less than before the silence of Covid, do drop Ann a note to annfau1kner@aol.com or ring/text her on 07778278340.

Sadly, we will not be holding a joint Advent service with the folks from St Bart's (MOD sensitivities and worries over Covid have caused the Chaplains decline the offer). Instead we will be following our usual pattern of services.

With many price increases recently and expected higher bills this winter many may be facing financial worries. If you know of someone who may think the situation is impossible, faced with unmanageable debt, then the friendly folks at Christians Against Poverty (CAP) and their trained debt coaches can bring hope and a solution. They offer a free service available to everyone regardless of age, gender, faith and background. For details, go to the national web site at www.capuk.org or in order to get help for yourself, please ring the National Help line on 0800 328 0006, where a friendly person will await your call. CAP has a centre locally in Yeovil.
