Loving God, you alone bring growth to your Church, and transformation to our parish communities. We give thanks for your work in our lives and world to day. As we look for your preferred and promised future, send your Spirit, to give vision in our planning and wisdom in our actions. Help our churches to grow in commitment to you, in numbers and diversity and in partnership together may we bring your grace, healing and love to all our villages; to the glory of your name. Amen
